STATEMENT IN COMPLIANCE WITH 37 C.F.R. § 1.98(a)(3)(i)

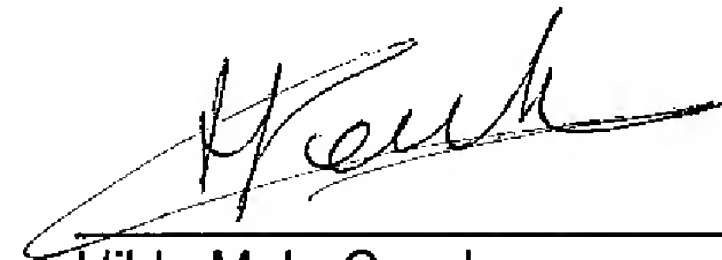

Sir:

The attached foreign language patent publication—JP05-199980 is supplied due to its possible relevance as this reference was cited in a Notice of Ground for Rejection (the Report) for related Japanese application number 2002-515357. A copy of the report in the English language is also attached. Neither Applicant nor Applicant's representative has read the full English language text of these patents and, therefore, cannot assess their full relevance. The Report compares this reference to the claims pending in Japanese patent application number 2002-515357.

Applicant does not necessarily agree with the conclusions in the Report and reserves the right to distinguish over those references by arguments and/or amendments should any reference be applied in the present application.

Respectfully submitted,

Date: 12-28-07
